Peak Openness

Leveraging Digital to Reach People When Most Willing to Consider
Receptivity before persuasion. A good ad is served to the right person. But is the person really open to the brand message?
Our research questions

How does ad receptivity compare in digital audio vs. digital video?

How has consumption of media changed since March 2020?

What do advertisers need to know about the emerging podcast medium?
# Extensive media diaries

## Recruitment

- Recruited from an online representative panel
- Evenly recruited weekday and weekend sample
  - Gen Pop n=2,001
  - Booster of Spotify Users n=302

## Screeners

Must have listened to digital audio or watched digital video in past 24 hours

## Media Diaries

Participants reported on up to 2 digital audio or digital video sessions from past 24 hours in detail in a media diary
- Digital Audio Sessions n=3,274
- Digital Video Sessions n=1,332

## Deep Dive

Deep dive on podcast listening vs TV show watching behaviors, as well as how media consumption has changed during the COVID-19 pandemic

---

Note: Survey recruitment ran in February 2021

- Digital audio: Audio listened on a digital device (connected to the Internet)
- Digital video: Video viewed on a digital device (connected to the Internet)
- Sessions based any listening or watching, which could be long or short periods of time

People are 3X more receptive to ads in podcasts

High Ad Receptivity
(Scale 1-10) % Very Receptive (7-10)
More attentive to ads in podcasts, potentially due to strong passion for hosts

Attention to Ad(s) While Listening/Watching
% Paid Full/Some Attention To Ad(s)

Podcast Sessions n=387, TV Show Sessions n=383
Q: How much attention did you pay to the ad(s) that played during your (audio/video) session?
Action Items

Leverage digital audio to reach people when most open to ads

Multi-tasking friendly nature of digital audio leads to greater openness, attention and ad interaction

Invest in moments when leveraging digital audio

Digital audio offers vast opportunities for reaching consumers contextually throughout the day - with higher ad receptivity compared to digital video to boot

Consider investing in podcasts

Podcasts offer brands a unique opportunity to reach consumers within an environment they feel passionately about
Thank You
